From her snow white streak in her jet black hair
Over sixty years I've been loving her
Now we're sat by the fire, in our old armchairs
You know Nancy I adore ya

From a farm boy born near Belfast town
I never worried about the king and crown
Cause I found my heart upon the southern ground
There's no difference, I assure ya

She and I went on the run
Don't care about religion
I'm gonna marry the woman I love
Down by the Wexford border
She was Nancy Mulligan
And I was William Sheeran
She took my name and then we were one
Down by the Wexford border
